

# Bordeaux Village FHA status approved

After several months of delays, Bordeaux Village has been approved by the FHA with no conditions.

According to Homewise, (the company Bordeaux Village HOA employed to assist with the approval), here is a link you can use to see the approval on the HUD web site.

<https://entp.hud.gov/idapp/html/condlook.cfm>

Apologies ahead of time if for some reason the link does not work for you.

Homewise says that many condo owners and homeowner associations promote that they are FHA approved to encourage sales.

The approval was granted the day before Thanksgiving, November 23, 2011.
